EOX

This new vacuum cleaner has a power of 2200 W and it stands out for its MULTICYCLONIC technology that doesn't need a bag. It has a HEPA filter also. In order to clean a wooden area, EOX includes a special parquet brush. Thanks to its 360º swivel hose and its adjustable telescopic steel cylinder, you will be able to use them without any problem. EOX vacuum cleaner has overheating protection on motor and an automatic power cable rewind function.
